COMPETITORS' RESPONSIBILITY

The word "shall" or "must" means mandatory, whereas the word "should" means recommended.

Competitors must ensure that they have adequate insurance cover for this event. All competitors and team members shall be insured and their boats insured against any claims for damage to other persons and boats to a level that is appropriate to their individual personal circumstances and responsibilities. All competitors and team members waive any claims against Ocean Cup LLC and its staff and agents, APBA and its staff and agents, and against the Event Promoter(s) and the Event Organizer(s).

(UIM PN 506.5.1 Emergencies) It must be understood that in Marathon (Endurance) Racing every team/crew must be prepared for any/all eventualities with regard to their own safety. If any team experiences difficulties or an emergency during the race, then they must be aware and prepared to be effectively on their own until rescue teams (from whatever source) can arrive.

OCEAN CUP - REGISTRATION FORM

West Palm Beach | Freeport, Grand Bahama

June 2, 2022

All competitors and crew members in boats with restraints, canopies, and partial canopies must hold a current immersion test certificate. Crew must be able to demonstrate that they can safely exit the boat and this may be subject to scrutineer testing at the event.

All competitors running boats with cockpit safety cells and restraints are reminded that they are responsible for their own safety and that, in the event of a capsize, their survival depends on their ability to extract themselves from the boat. Safety coverage at the event may be able to assist, but all crews must accept that this assistance cannot be relied upon and must be considered as secondary to their own capacity for self-extraction.

Every team must therefore have emergency plans which must include a risk assessment setting out how they would deal with an on board emergency situation until such time as rescue teams arrive.

By signing the Official Entry Form at the event all competitors are bound by the rules contained and/or referenced in these Race Instructions.

I hereby verify that all information provided in this entry form, by the undersigned, is correct. I hereby also acknowledge that the entrants have read the race instructions; fully comprehend the safety requirements for this event and have submitted all required forms:

- 1) Risk Assessment Form
- 2) Immersion / Dunk Test Paperwork
- 3) Safety Form

(signature and printed name)

(date)

Indemnity and APBA waivers will need to be signed in person at registration.
