PRESENTING THE COLORS

U.S. Naval Sea Cadets Corps – American Veterans Division

San Diego, CA, May 23, 2023 Palm Beach's American Veterans Division of the U.S. Naval Sea Cadets will be presenting the colors for Race Day, June 3, during the opening ceremony of this year's Gateway Marathon hosted by the Sailfish Marina Resort on Singer Island.

The United States Naval Sea Cadet Corps (Sea Cadets) is the Navy's youth development program with the mission to build leaders of character.

"The cadet's will be involved throughout the race weekend with opportunities to participate in APBA equipment checks, attend drivers' meetings, and assist with general event management activities." said Keli Gunn, Ocean Cup's Project Manager. "Race teams will surely appreciate extra hands launching their boats for Friday's in water display at Docks A & B near the Tiki Hut, as well as having cadets at the dock to catch boats as they return with their world speed records!"

Commanding Officer, LT Larry Saulog, USNSCC American Veterans Division said "Supporting the Ocean Cup 2023 Gateway Marathon gives our Sea Cadets the opportunity to not only serve our local community but to also apply their maritime skills in a real-world environment and gain valuable insight into the challenging sport of offshore powerboat racing. Our vision is to help prepare today's youth for a stronger nation tomorrow. That vision is accomplished with the help of our partners at Ocean Cup. We are grateful for their support."
